Your guests walk away at the end of the night with their photo in their hands. It's very exciting! There are two border styles to choose from that include your company name.

Photographer's fee - \$300.00

This fee includes 4 hours of time breaking down into 2 ½ hours of shooting and 1 ½ hours of setup/teardown. In 2 ½ hours, a photographer can shoot 100 employees and/or couples.

Packages - package price is per employee, in addition to photographers fee

Package:	Cost:
Package A: 2x3 wallet and frame	\$5
Package B: 1 3 ½ x 5 print with 1 folder	\$5
Package C: 1 3x5 print with 2 wallet prints with 1 folder	\$8

FOLDERS - A folder is included with each package. The host may select from four folder colors: Opal, Grey, Black, or White.

Sample Event: A company plans a four hour event purchasing Package A for its 100 employees that will be attending with their guests. The company would pay the \$300.00 photographer fee plus the cost of the package per employee, in this case \$5:

$$\begin{array}{r} \$5 \text{ multiplied by } 100 \text{ employees} = \$500 \\ + \text{ Photographers fee} = \underline{\quad \$300} \\ \text{Total for event} = \quad \quad \quad \$800 + \text{tax} \end{array}$$

There must be a guarantee of at least 80 employees attending in order to qualify for these services, as well as the company agreeing to purchase portraits for all guests who want them.
