

School Event Price List

GCS Photography specializes in school events. We have a variety of formal portrait programs to accommodate your group's photographic needs while working within your specific budget.

PREPAID INSTANT DIGITAL SERVICE -This service is designed to have the pictures included in the price of the event ticket. The hosting group will pay for the pictures with one check at the end of the event. Portraits include custom borders, graphics, folders, and backgrounds. Our Instant Digital Service produces prints in as little as 40 seconds. Your guests walk away at the end of the night with their photo in their hands. It's very exciting!

Photographer's fee - \$50.00

This fee includes 4 hours of time breaking down into 2 hours of shooting and 1 hours of setup/tear down. In 2 hours, a photographer can shoot 100 portraits.

Packages - package price is per photograph, in addition to photographers fee
